Organization's Mission/Objective			
To provide job skills to unemployed and impoverished youth in Afghanistan. Promote self-sufficiency.			
List the organization's past accomplishments in helping the people in Afghanistan. Be sure to include start and completion dates.			
Personal visits in 2005, 2006 and 2007 to Afghanistan helping poor Afghans with own funds.			
What is your organization planning on doing to help the people in Afghanistan?			
To operate skill center where young Afghans can learn job skills to include computers skill, typing and basic literacy. Programs have so far been in the Province of Paktika where life has not been easy.			
How can the Bay Area community get involved in helping your organizations?			
Need some volunteers and fundraising opportunities. We need computer equipment.
